Request:

This is a request to vacate a (approximately 60' wide by 336' long) section of N.E. 32nd Avenue located north of Oakland Park Boulevard and south of N.E. 33rd Street. The proposed right-of-way vacation is scheduled on this agenda to be reviewed simultaneously with the corresponding "Altaire Village" site plan (case no. 38-R-05).

Prior Reviews:

This application was reviewed by the Development Review Committee on October 26, 2004 and all comments have been addressed. The Property and Right-of-Way Committee reviewed the proposal on February 17, 2005 and it received a positive recommendation for vacation, with the provision that the applicant will be required to dedicate a public access easement, which shall be no less than 50' at the intersection with N.E. 32nd Street, (Minutes are attached as **Exhibit 1**). The applicant proposes to dedicate a 50' wide public access and utility easement on N.E. 32nd

Avenue south of N.E. 32nd Street, which widens to approximately 60' north of N.E. 32nd Street (See **Exhibit 2**).

This request has been reviewed by the public franchise utilities and none of them have an objection to the proposed vacation, provided that any necessary easements are granted to their satisfaction, and that any existing utilities to be installed, removed or relocated are done so at the applicant's expense (Letters are attached as **Exhibit 3**).

Staff Determination:

The applicant has submitted a narrative outlining compliance with the criteria for the vacation of rights-of-way as listed in Sec. 47-24.6 (attached as **Exhibit 4**). Staff finds that the applicant has demonstrated compliance with the criteria and concurs with the applicant's assessment.

Should the Board approve the proposed vacation, the following conditions are recommended:

1. The applicant shall provide any necessary easements as required by the public franchise utility companies and by the City's Property and Right-of-Way Committee. Any utilities that are required to be installed, removed or relocated shall be done so at the applicant's expense, and as approved by the City Engineer.
2. The vacating ordinance shall be in full force and effect on the date a certificate executed by the City Engineer is recorded in the public records of Broward County, Florida. This certificate shall state that all conditions of the vacation have been met. A copy of the recorded certificate must be provided to the City.
3. The applicant shall reimburse the City of Fort Lauderdale's Parking and Fleet Services Department for the lost meter and citation revenue for the duration of time that the meters are removed during construction as approved by the Director of Parking and Fleet Services Department.
4. Final DRC approval.

Planning & Zoning Board Review Options:

1. If the Planning and Zoning Board determines that the proposed vacation meets the criteria for right-of-way vacation and recommends approval of the vacation, the recommendation shall be forwarded to the City Commission for consideration.
2. If the Planning and Zoning Board determines that the criteria for right-of-way vacation have not been met, the Board shall deny the application and the procedures for appeal to the City Commission as provided in Section 47-26B, Appeals shall apply.
